WORK INTEGRATED LEARNING (WIL)

The WIL Department provides assistance to full-time students who demonstrate academic merit and need practical, workplace-based experience to fulfill their diploma requirements. Graduates can also avail themselves of further internship and employment prospects.

The WIL department offers the following expert support to False Bay TVET College students:

- Preparing you for the world of work, through our Work-Readiness Programmes.
- Assisting you in seeking workplace-based experience opportunities in order to obtain your National N Diploma, National Certificate, Trade Certificate or Occupational Certificate.
- Connecting you to employment and further study opportunities.
- Should you find your own placement opportunity, the WIL Department will assist you in ensuring that the internship is relevant to your field of study.
- Monitoring and evaluation of placed students.

Exit-Level students must register with the WIL Department for placement support.
